

Wheel Change Model 10:

Film locations vary. It may be beneficial to change out the dolly standard pneumatic wheels for special purpose ones we have available.

See our **Model 10** Dolly brochure for additional information on the following products.

Note: Wheels **cannot** be removed or installed with the brakes on!

SWT

SWT- Soft Wheels

SKT

Ice Skates- **SKT**

SCWT

SCWT- Soft Compound

TTW

Round Track- **TTW**

To **CHANGE** a wheel:

- Place the Dolly on level ground.
- **RELEASE THE BRAKES AND LEAVE THEM OFF UNTIL YOU COMPLETE THE WHEEL CHANGE.**
